

Aloha Calvary Ohana,

The new Isle Discount cards (iDcards) are now available for sale in the School Office!

It's quite simple. We sell the iDcard to our family and friends for \$30 each (regular retail price is \$40), and our school gets to keep \$14 from each sale we make. Purchasers of the iDcard will enjoy a year's worth of discounts and special offers at 100s of restaurants and retailers, and unlike coupons which can only be used once; the cards can be used for the same offers at the same establishments again and again until they expire. A complete list of participating merchants is available at www.shawndohmen.com, and new ones are added regularly, so be sure to check back often. There's even a free mobile app available to help you find sponsors near you while you're out and about.

How it works:

1. Purchase an iDcard voucher that contains a unique promo code. Voucher expires 10/31/14.
2. Go to www.shawndohmen.com or the Isle Discount office at Ward Warehouse to order your card. You'll enter your promo code and get to select a card design.
3. You can either have your card shipped to you (no charge) or pick it up at the Isle Discount office the next day.
4. All cards now come embossed with the cardholder's name and are valid for one year from the day you redeem voucher. (i.e. A card ordered online on 01/15/14 will expire 01/15/15.) So while these make great Christmas gifts, you can purchase extra vouchers to give as gifts at any time between now and 10/31/14 because the recipient will still get a full year to use their card once they redeem their voucher.
