

Pacifica Synod - ELCA

Office of the Bishop - Lutheran Center For Mission & Learning

Press Release

For Immediate Release

Pacifica Synod e-Message

Please forward the invitation below to your choir/music director.

Aloha, dear colleague,

My name is Dr. Daniel Mahraun, choir director at Lutheran Church of the Holy Trinity in Kailua-Kona, Hawai'i. I am part of the music planning committee for the installation of the new bishop of our Pacifica Synod, the Rev. Andrew Taylor.

The installation service will include a mass choir and I would like to extend an invitation to you and your singers to participate. The worship is scheduled for 4:00 p.m. on Sunday, October 23, at Hope Lutheran Church in Palm Desert. There will be a rehearsal that day prior to the service and possibly an additional rehearsal the day before. Regardless of the distance, I want to ensure that musicians throughout the synod are aware of this opportunity.

The choir will be leading the congregation in the Psalm of the Day and providing an anthem during the Offering.

Please feel free to share my contact information below with any interested singers and please let me know if you have any questions. I can share further details about the music and the schedule with them, when those details become available.

Mahalo nui loa,

Daniel A. Mahraun, D.M.A.
