Aloha Parents!

Our annual fundraising event, "Taste of East Oahu," is April 25, 2009. This benefit features various cuisines from area restaurants, wine tasting, entertainment, and a silent auction. The proceeds of this event will directly benefit Calvary by the Sea Montessori School, the Youth Group at Calvary and Angel Network. We exceeded our goal at last year's event and owe our gratitude to our terrific parent volunteers.

In order for this event to be a complete success, we are asking our parents to support the Taste of East O'ahu in the following areas:

- Donating Goods, or Services to the Silent Auction contact Gina Benner at 223-9555
- Volunteering Event Set Up email Garret at pickgr@gmail.com
- Volunteering VIP Tables email Renee at reneeako@aol.com

Contact Marilyn Hamada (808) 551-3117 for information in the following areas:

Parking Coordinator

Programs—Lay out and Format, Solicit Advertisements

Art Display—Set up and Take down

Volunteer Coordinator

Purchasing tickets for the Taste of East O'ahu

Purchasing VIP Tables (Why not have an Office appreciation party that night?)

Purchasing Advertisement in TOEO's Program (great publicity for business!)

Last year's event was a huge success as it raised a grand total of \$12,600.00 of which our School received \$ 4,200.00. We owe our thanks to all our terrific parent volunteers as we could not have reached our goal without your support. This is an important evening for our Church and School. You can help by completing the bottom portion and return in the CBTSMS "drop box" just outside the school office.

Please complete and return on Friday, February 6th!!!
